## Membership Application

Fellowship

We welcome all those interested in our spiritual community! If you would like to join us, please simply fill out the information below and return this form to one of our officers. Your contact information may be shared among members of the Fellowship but will otherwise be kept confidential. You officially become a member once our board of directors approves the application.

Membership does not require any financial obligation, though of course we hope that our members will want to support us, and not just with money, but also with their time and talent. It takes many volunteers to keep an organization like this going, and volunteering is also a great way to become more deeply connected with the community.

Please also consider who we are as a spiritual community. We have each separately chosen to be a part of an independent community of *free faith*. We have organized not only as a religious and charitable institution, but one offering spiritual, growth-oriented, and community-building education. We hope to be a center for liberal religion, growing out of Unitarian and Universalist traditions while embracing the seven principles of Unitarian Universalism adopted in 1985.

As such, our objectives include the promotion of freedom of faith and the creation of a forum in which reason will guide religious thought and expression. In the pursuit of this, we will strive for an atmosphere of fellowship and a community of mutual support. We believe that if we hold each other in community and without judgment, with care and respect and kindness, there should be no issue of our time that we could not take on.
